FIXING WORKPLACE COMMUNICATION WORKSHOP

“THE SINGLE BIGGEST PROBLEM IN COMMUNICATION IS THE ILLUSION THAT IT HAS TAKEN PLACE.” — GEORGE BERNARD SHAW

Communication is the foundation of co-creation and collaboration. It is essential to any team and any organization. And yet, most people feel most of their workplace communication is ineffective and frustrating.

In the Fixing Workplace Communication workshop, you will learn the essentials of Generative Communication using the iAIM-CLEAR-FLOW model.

We will learn how to reduce much of the overhead and frustration of ineffective communication. We will harness the power of Generative Communication to create more focused, action-driven meetings, emails, and messaging to help you and your team achieve any goal.

- Express your ideas effectively and drive action
- Achieve more using Generative Communication
- Make meetings, emails, and documents focused and effective
- Deliver more value to your team and organization
- Turn communication from an overhead into a superpower

ADDITIONAL DETAILS

- 2, 4, or 8-hour workshop
- Up to 20 participants
- Chat-based guidance for two weeks after the workshop

WRITING AND CONTENT SHAPING WORKSHOP

COMMUNICATION IS THE ENGINE OF GROWTH AND CO-CREATION. CONTENT IS THE FUEL OF COMMUNICATION.

Communicating is the only way to spread ideas, drive action, make an impact, and co-create. And to communicate, we must craft effective content.

Writing is a perfect way to process and organize your thoughts so they will affect people. Whether you talk to an audience, publish articles, or interact with your team, the art of designing your content will help you achieve your goals.

In the Writing and Content Shaping workshop, you will learn how writing can help you communicate better and how to turn your ideas into impactful content. You will acquire the essential tools for harnessing writing to achieve your goals.

- Apply Writing as a thinking process
- Provide your audience and associates with real value
- Find endless ideas for writing
- Utilize Modular Writing and the iAIM-CLEAR-FLOW model
- Make your text effective
- Use Content Shaping for any type of communication

ADDITIONAL DETAILS

- 2, 4, or 8-hour workshop
- Up to 20 participants
- Chat-based guidance for two weeks after the workshop

PRESENT PERFECT WORKSHOP

TO MAKE AN IMPACT, ANY PUBLIC TALK MUST CAPTURE YOUR AUDIENCE'S ATTENTION AND TAKE THEM ON THE JOURNEY YOU ARE LEADING.

From keynote addresses to organizational talks, from a pitch to an inspiring speech, your presentation must be flawlessly designed so that every sentence conveys your ideas and resonates.

With a slide deck, a whiteboard, or just your voice, you can make an impact by defining your goals, knowing your audience, and shaping the content of your talk accordingly.

In the Present Perfect workshop, you will learn how to craft presentations that work, moving your audience from point A to point B and driving action using words and visuals.

- Define your goal and the value for your audience
- Structure your presentation to maximize its impact
- Use a storyboard for effective design
- Use visuals that enhance your message
- Know what to leave out
- Apply Modular Design and the iAIM-CLEAR-FLOW model

ADDITIONAL DETAILS

- 2, 4, or 8-hour workshop
- Up to 20 participants
- Chat-based guidance for two weeks after the workshop

1:1 GENERATIVE COMMUNICATION MENTORING

**YOUR WORK RELIES ON COMMUNICATION.
LET'S TURN IT INTO YOUR SUPERPOWER.**

The best way to learn the art of Generative Communication is by doing it. Together.

From delivering a keynote talk to writing professional blog posts and articles, from an inspirational all-hands meeting to ongoing communication with your team, your ideas must resonate and drive action.

Our 1:1 Generative Communication Mentoring is uniquely designed to achieve two goals: Helping you communicate more effectively from day one and enhancing your communication skills over time.

We believe in learning by doing, so each session is designed to help you meet a concrete goal, learn new practices, and enhance your skills in parallel.

- Define your Mission and Initiative and identify your Audience or Associates
- Collect ideas and Content Bits for your content
- Design effective content that makes an impact
- Refine and edit your content to make it more engaging
- Practice Modular Design and writing practices to improve communication
- Master the iAIM-CLEAR-FLOW model of Generative Communication

COMMUNICATION DONE RIGHT PROGRAM

WORKPLACE COMMUNICATION IS BROKEN. TOGETHER, WE CAN FIX IT.

Communication is essential to your team whether you work remotely, in a distributed model, or on-site. Communication is the engine that enables collaboration and co-creation.

80% of people working in companies like yours are frustrated with workplace communication. They are drowning in emails, instant messages, and endless, often pointless, meetings.

But there's a different way. A better way. The Communication Done Right program is designed to help you define the most effective communication flows and practices for you and your team. By assessing your current communication methods, identifying weak spots, and applying our iAIM-CLEAR-FLOW model, we will redesign your communication flows so they will promote your goals instead of getting in the way.

- Design typical communication flows based on your needs and goals
- Learn to apply the iAIM-CLEAR-FLOW model to make any interaction value-driven and effective.
- Achieve more using Generative Communication
- Make meetings more effective
- Learn to craft effective emails and documents
- Turn communication from an overhead to an essential part of your work

ADDITIONAL DETAILS

- Assessment of current communication practices and challenges
- 1:1 and group mentoring on new communication practices
- Fully customized to the scale and goals of your team
